INTRODUCTION:-

Creative Piping Solutions. (CPS), an AN ISO 9001:2015, 14001:2004, 18001:2007 Certified Company

Our in-house manufacturing plant locates in Mumbai near Sweeri, Maharashtra (INDIA), Manufacturing activity continues in 8,000 square meter open area 4,000 square meter factory and administrative building area.

Creative Piping Solution is a Leading Manufacturer, extensive Stockholder of piping products for the Oil, Gas, Petrochemical and Nuclear Industries. Creative Piping Solution is the Manufacturer of Butt-weld Fittings, Forged Fittings, Compression Fittings, Outlets, Flanges & Long Radius Bends in Materials like Stainless Steel, Carbon Steel, Alloy Steel, Duplex & Super Duplex Steel, Nickel Alloys etc. We also manufacture and supply non-standard items in any material to customer's specifications.

We are committed to serve your Organization's Sourcing Needs of the above Products with our Quality Products as well as our Service, which is further Strengthened by our well established in-house infrastructure Capabilities and Capacities plus comprehensive stock of raw material and finished products. We are growing organization having strong work force of skilled, experienced and qualified employees.

At Creative Piping Solution we believe that it is crucial for continued development to stay close to our customers who provide us with essential market and product feed-back. The expansion and success of Katariyaa depends on brand recognition and brand acceptance. Only by listening to our customers, we will be able to keep living up to the market expectations of today and tomorrow.

Our Values Our Clients are our most valuable assets and for that we use our skilled people and latest technology and equipments to fulfill their needs.

Why Us

We are a renowned name in this domain engaged in providing various types of Stainless steel, Carbon Steel & Alloy Steel Products; we have gained immense client's appreciation, Owing to our excellent product quality and transparent dealings.

Specialties that make us a profitable business partner for our clients are:

- Cost-effective rates
- Customized solution
- Customized packaging
- Customer focused approach
- Easy payment modes
- Good Financial Position & TQM
- Superior quality products
- Timely delivery schedule
- Timely delivery of products
- Experience and specialty in work

Our Vision :

We help customers develop their energy resources; bringing world class capability and delivering it locally. We promote commercial arrangements that are aligned to our customers ' needs, allowing us to deliver more value to the customer while increasing the returns from our most precious asset – our people.

Our Mission :

Provide technically sound solutions and create additional value in mutual interest with our customers resulting in being a preferred Stockists & Suppliers within the Stockists & Suppliers industry.

We would appreciate to get your esteemed enquires and look forward to the pleasure receiving your valuable response.

Quality

Quality is our prime concern. We are able to maintain high quality standards through our committed personnel and sound infrastructure. We ensure that finest quality material is used for our products. For ensure the quality of each material, we are providing Materials Test Certificate along with supply. Our team of experts maintain a vigil on the quality of the products. Every single piece is attached with test certificates and reports. We are continually improving our quality to serve our clients better.

Quality Objectives :

We consider three elements to be essential for the overall quality of the company services :

- Independence & Objectivity.
- Technical & Scientific Quality.
- Practical Benefits to Clients.

Our Excellence :

Quality is our prime aim. We are able to maintain high quality standards through our committed personnel and sound infrastructure. We ensure that finest quality material is used for our products. For ensure the quality of each material, we are providing Materials Test Certificate along with supply. Our teams of experts maintain a vigil on the quality of the

products. Every single piece is attached with test certificates and reports. We are continually improving our quality to serve our clients better.

Quality Control :

We exercise stringent quality control measures for ensuring the accurate dimensions and mechanical properties of our products. Our quality assurance system assures each product to pass through following processes and quality systems :

- Certification and Supplementary Test
- Finishing and Marketing.
- The impeccable quality standards of our product range as well as services have contributed immensely to the success of our company.
- Material Control System
- Machining and Dimensional Control
- Process Control System

Quality Assurance :

The quality assurance system is guided by principles that support our unique working culture which incorporates respect, self management, open communication and creativity.

Principles :

- We strive to be the best qualities and technologies in our industry.
- We care about our client's time and money.
- We do our absolute best to honor our words and client faith on us.
- We strive to always act with integrity and commitments.

Our Quality Standards :

The bitterness of poor quality remains long after low pricing is forgotten. So, we follow strong measure of quality checking. Understanding Customers requirement and ensuring to supply as per these requirements is realized with the help of Quality Assurance and Quality Control at Creative Piping Solution . Across the entire business chain of supplies, operations and marketing appropriate quality assurance systems are in place to ensure correctness at each step of the cycle.

In our philosophy, quality is not only the durability and defect free nature of product but its utility and applicability to satisfy the sole purpose for which it was bought. Thus, we are committed to produce products, which can satisfy different requirements and purposes. We have adopted stringent quality control measures to ensure superior quality and zero defects products. Quality is checked at different stages of production and supply and the raw material we use is sourced only from reliable and established vendors

Our Products

Manufacturing Products

- Buttweld Fittings
- Forged Fittings
- Flanges
- Fasteners
- Threaded Fittings
- Ferrule Fittings
- Dairy Fittings
- IC Fittings
- Valves

Stocklist Products

- Pipes & Tubes
- Sheets & Plates
- Round Bar ,Hex & Square
- Angle & Flat Bar
- Capillary Tubes

PRODUCT Buttweld Fittings :- SHORT BEND, CONCENTRIC REDUCER, ECCENTRIC REDUCER, LONG STUBEND, LONG BEND, END CAP, ELBOW, TEE, U-BEND.

Stocklist Products:- Pipes & Tubes

Sheets & Plates
Round Bar, Hex & Square
Angle & Flat Bar
Capillary Tubes

➤ Pipes/Tubes =>

Stainless Steel

In Grades : ASTM A213/A213M, ASTM A312/A312M,
A213, A249, A269, A358, ASTM A269,
ASTM A312, ASTM A511,

In type of Material : 304, 304L, 304H, 316, 316L,
316H, 316Ti, 321, 321H, 317,
317L, 310, 310S, 410, 430 etc.

Carbon Steel

In Grades : ASTM A 106, A53, API 5L GR. B/C, X42,
X46, X52, X60, X65.
ASTM A333, GR. GR.6, ASTM A192, A178,
A210, A214, AND ASTM 671 & 672 ROLLED
& WELDED

Alloy Steel

In Grades : ASTM A335 GR. P1, P2, P5, P9, P11, P22,
P91, SA 213 T5, T9, T11, T22, T22
AND A691 (ROLLED & WELDED)

Nickel Alloy

In Grades : MONEL 400 & 500, INCONEL 600 & 625,
INCOLLOY 800 & 825, HESTOLLY "A TO X"
TITANIUM GR.1 & GR. 2, ASTM B729
Alloy-20.

Copper & Copper Alloy

In Grades : COPPER C1100,
PHOSPHORUS DEOXIDIZED COPPER : C1201, C1220,
BRASS : C2300, C2400, C2600, C2700, C2800,
AL-BRASS: C4430, C6870, C6871, C6872,
COPPER-NICKEL : C7060, C7100, C7150

Major products Manufacturer:-

Pipe : Stainless Steel :-

- SUMITOMO METAL INDUSTRIES JAPAN.
